- Accommodates left or right-hand users

Warranty

5-year limited

MultiTable's Keyboard and Mouse Tray offers incredible flexibility by allowing you to choose the position of your keyboard and mouse, whether you're standing or sitting. It's the perfect addition to any height adjustable sit to stand desk. You can independently change the tray's height, tilt, position and swivel to increase your comfort level, add to your productivity, and better ensure proper ergonomic posture. It even swivels out of sight when not in use.
