Warranty

5-year limited

Beneath the Ergo's minimal design is a reliable and smooth gas spring adjustment control that supports an 10.5-inch dynamic height adjustment range. This allows the user to adjust the height and position of a monitor weighing up to 17.6 pounds with minimal effort. Retracting to a 4 inch depth and extending 21 inches, Ergo offers a comfortable viewing distance no matter the size of the workstation. The monitor arms securely attach to any workstation, and install can be accomplished with grommet mounts or desk clamps (both included).
